radius of fifty miles from the Titanic, o'clock this morning. The officer said this mistake in fixthe accurately the position of the feature songs to be USED AT domed ship was a fatal one. With techergs and floating ice covering the northern sea, a ship of even the size of the freeman. northern sea, a ship of even the size of the Titatnic might well be overlooked through such a variance.

Ismay is Pleased

J. Bruce Ismay, managing director of the International Mercantile Marine company, was much cheered by the testimony of this afternoon. He listened eagerly to accounts of his conduct as the lifeboats as told by direction of the source of conduct at the lifeboats as told by stewards and seamen. His eyes fairis beamed when Steward Crawford told how ismay had called for women to go in one of the boats, and had said to the woman who told him she was only a stewardess: You are a woman, take your place in the boat. This other song is Best Williams had been adopted by the season of 1912 and is considered by wong writers and single considered by song writers and single was only a stewardess. You are a woman, take your place in the boat.
